

# Joseph Donchez

*Experienced Software Sales Executive Joseph Donchez Thrives at Oracle*

Address:	Philadelphia, PA
Email:	N/A

A longtime resident of Pennsylvania, Joseph Donchez has lived in Bucks County with his wife and family for over twenty years. He attended the nearby University of Delaware, earning a bachelor of science in business administration, and since then has built a successful career in the software industry. He has worked for several major and mid size software companies in Pennsylvania as well as New Jersey and Virginia. Joseph Donchez has three daughters who graduated college from South Carolina and Mississippi. He and his wife have enjoyed taking road trips to visit their daughters at southeastern conference school destinations to attend NCAA events and also frequently travel to Philadelphia for professional sporting events, as Joseph Donchez is an enthusiastic fan of both the Eagles and the Phillies.

Joseph Donchez's extensive experience in the software industry most recently earned him a position at Oracle as a strategic enterprise accounts sales executive. Over the years he has also worked for IBM, BEA Systems, INFORMATICA, PLATINUM Technology, and others. Joseph Donchez also has experience working for a startup and mid size companies in Silicon Valley and Atlanta, GA
