

Bruce Rollins

Former Vice President with Rolcom USA

Address: Minneapolis, MN, US
Website: <https://about.me/brucerollins>
Email: info@brucerollins.com

Employed by Rolcom USA for more than two decades, Bruce Rollins handled the marketing and sales of a range of telephone equipment as a company vice president. In addition to directing the strategic acquisition of new business, he oversaw technology installation projects and ensured that existing clients were satisfied with their current Rolcom services. Bruce Rollins worked out of Rolcom's offices in Minneapolis, Minnesota, until 2010.

Outside of the professional arena, Mr. Rollins enjoys attending horse shows and going dancing with friends. He stays fit and active by playing tennis at least 30 times per year, and also by golfing, which he does at least 90 times per year.

During the summer months, Bruce Rollins enjoys bicycling and playing pickleball on a daily basis. A paddle sport that contains aspects of tennis, badminton, and table tennis, pickleball employs a plastic ball with holes and a modified tennis net on a badminton-sized court.
