## Successful Florida Executive

Adelphi University graduate Charles Pitzel currently serves as the general manager of Terminix International in Fort Myers, Florida. Some of his duties at the organization include overseeing the company's day-to-day operations, administration, sales and marketing, profit and loss management, human resources, and driver education. During his time as the leader of the company, Charles Pitzel has been responsible for doubling the company's revenue and increasing its customer base throughout its southwest Florida territory.

A consistently high performer, Charles Pitzel has received numerous awards throughout his career at Terminix, including the President Club's Award of Excellence. Outside of his work life, he is a longtime musician. Picking up the drums at age 10, Pitzel continued learning through private lessons for eight years. He would eventually go on to help co-found a band named Alliance. Serving as an opening act for names such as Slaughter and Quiet Riot, the band released its own album in 1996 and was a club act throughout Florida for a number of years.
